ABORIGINAL HEALTH SERVICES

Patient Perspectives: Hospital care for Aboriginal people
Bureau of Health Information August 2016

This report provides, for the first time, system-wide and detailed information about Aboriginal patients’ experiences of hospital care in NSW. Altogether, 2,682 adult Aboriginal patients told us about their experiences – we heard from almost one in every 10 adult Aboriginal patients hospitalised in 2014.

Priority Evidence-Practice Gaps in Aboriginal and Torres Strait Islander Maternal Health Care
